

## **WARNING PEAT MOSS ROLLER**

Any piece of equipment can be dangerous if not operated properly. **YOU** are responsible for the safe operation of this equipment. The operator must carefully read and follow any warnings, safety signs and instructions provided with or located on the equipment. Do not remove, defeat, deface or render inoperable any of the safety devices or warnings on this equipment. If any safety devices or warnings have been removed, defeated, defaced, or rendered inoperable, **DO NOT USE THIS EQUIPMENT!!!**

 **WARNING:** This product can expose you to chemicals including Chromium from steel products, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65warnings.ca.gov](http://www.P65warnings.ca.gov)

**WARNING:** Use of this product can create dust containing chemicals which may cause respiratory or other illnesses. Some examples of these chemicals are compounds found in pesticides, insecticides, fertilizers & herbicides. Your risk from these exposures varies, depending on how often you do this type of work. To reduce your exposure to these chemicals: work in a well-ventilated area, & work with approved safety equipment, such as those dust masks that are specially designed to filter out microscopic particles.

**DANGER:** This equipment may have sharp edges as well as multiple pinch points. Keep hands, feet, and all other body parts clear at all times.

Always wear sturdy nonslip work boots, safety glasses, gloves, and dust mask when using this Peat Moss Spreader/Roller

This Compost and Peat Moss Spreader is an easy to use, lawn roller that will help with any topdressing job. This all-steel topdressing roller can spread any compost, peat moss, or other fine ground topdressing material.

It has a mesh drum which breaks up clumpy materials as they tumble. Leaving behind any large, unwanted residual material in the drum for disposal.

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. If there is any doubt as to the operation or safety of the equipment, **DO NOT USE!!! CALL A TOOL SHED IMMEDIATELY!!! FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH**
